The crime of being large, physically fit, and preferably black The crimes of gang connections and the ability to store large volumes of material in your rectum are also well respected.. What about crimes against women in general, is a murder of a woman perceived as worse than a murder of a man, and what about the murder of a child.. Explore Lynne Hylton's board Serial Killers Murderers on Pinterest, See more about Serial Killers, Murders and Prison.

Prisons also have their own economy, and if you're the guy that has a supply line to the outside and can smuggle contraband in, then your chances of survival go up dramatically.

are cop killers respected in prison

are cop killers respected in prison, how are cop killers treated in jail, what happens to cop killers in jail

How can a mother do that to her own child Serial killers etc What other crimes are respected in prison.. Hello, I had a question about prisons in general and the way other inmates perceive various crimes.

what happens to cop killers in jail

Conversely, if you were a big fish outside, then you are going to be a big fish inside, or should I say a big dog, because prisons bring new meaning to the phrase 'dog eat dog world' as you're going to have more enemies and other people gunning for you, just so they can boast that they're the one that took you down.. If you were a little fish outside, then you're still going to be a little fish inside, regardless of what crime you committed.. var q = 'are%20serial%20killers%20respected%20in%20prison'; I mean we all know what crimes are looked down on in prison they are rape, child sexual abuse, serial killers etc.
